

Attention Laboratory Managers

I would like to introduce you to our company which has specialized in complete laboratory installations since 2002.

We represent various manufacturer's state of the art, quality products including; laboratory cabinets, work surfaces, fume hoods, bio safety cabinets and specialty products.

We offer complete lab design services, procurement and complete installations to meet your budget.

Please visit our website for more information at : www.krmaxcontracting.com

We look forward to working with you to service any of your laboratory requirements. Keep us in mind the next time our services could be of value to you and add our company to your data base for future reference.

Remember, it is never too early to start planning for you new lab or renovation! Please let me know if you require any additional information or if you would like to schedule an appointment. I can be reached at (480) 513-7599 or email to kmax@cox.net

Sincerely,

***Ken Max
President***
